Leadership of the UN Global Compact

IN THIS SECTION

Assistant Secretary-General, CEO and Executive Director of the United Nations Global Compact

Sanda Ojiambo

Ms Sanda Ojiambo was appointed Assistant Secretary-General of the United Nations Global Compact by United Nations Secretary-General António Guterres in April 2022. She has held the position of CEO & Executive Director of the UN Global Compact since June 2020. Ojiambo has led the organization through transformative times, particularly during the COVID-19 pandemic, where she launched a new strategy to enhance the global impact of businesses upholding the Ten Principles and advancing the Sustainable Development Goals (SDGs) through accountable companies and supportive ecosystems.

The UN Global Compact, under her leadership, remains the world's largest corporate sustainability initiative, with more than 20,000 participating companies, 5 Regional Hubs, 62 Country Networks covering 78 countries and 14 Country Managers establishing Networks in 20 other countries. The initiative continues to drive businesses to integrate the Ten Principles in human rights, labor, environment, and anti-corruption into their core strategies, thus fostering a more sustainable and inclusive global economy.

The Global Compact Network UAE announces the launch of the Forward Faster Initiative in the UAE. The launch happened with the presence of Assistant Secretary-General Sanda Ojiambo, CEO of United Nations Global Compact, and was attended by private sector leaders in the country.

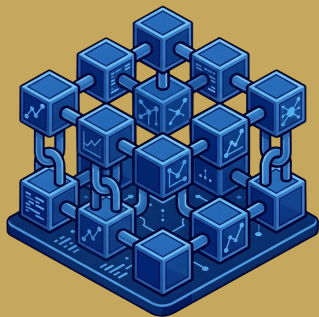

The session highlighted and recognized the Forward Faster signatories in the UAE, the pioneer companies included; Chalhoub Group, DP World, Tristar Group, INTERTECH GROUP, ARCB Holdings and CTG.

We would like to thank Tristar Group and Eugene Mayne for sponsoring this reception and making this event possible.

Policy Verification

Compliance. Custody. Assurance.

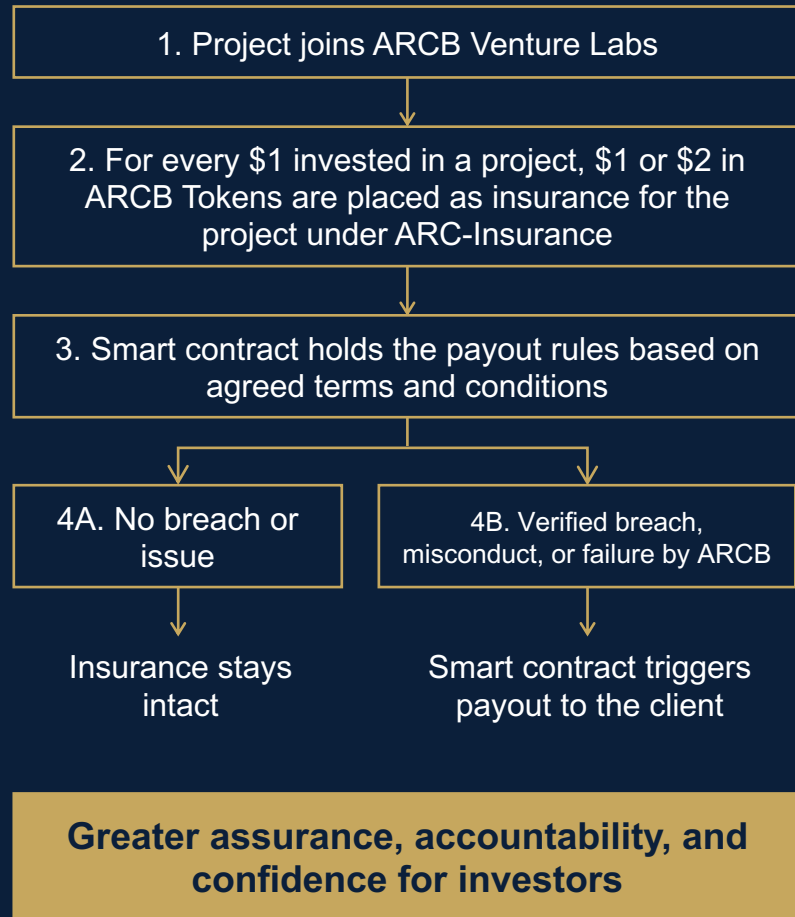

The screenshot displays the ARCB Policy Verification interface. At the top, the ARCB VENTURE LABS logo is visible. Below it, the text "ARC-INSURANCE" is shown, followed by the main heading "Policy Verification". A prompt asks the user to enter their ARCB policy number to verify their insurance certificate and view coverage details. A search bar contains the policy number "ARCB-INS-2024-00142" and a "VERIFY" button. Below the search bar, a demo link is provided: "Try demo: ARCB-INS-2024-00142 or ARCB-INS-2025-00089". The main content area shows the "ARCB VENTURE LABS INSURANCE CERTIFICATE" with a green "ACTIVE & VALID" status. Under the "COVERED PROJECT" section, the Allocentra logo is displayed, along with the text "Arc-Insurance · Digital Asset Protection". A table below provides detailed coverage information:

POLICY NUMBER ARCB-INS-2024-00142	DIVISION Arc-Insurance
POLICY HOLDER Meridian Capital Partners Ltd	COVERAGE TYPE Digital Asset Protection
COVERAGE AMOUNT (USD) \$1,000,000	ISSUE DATE 2024-03-15
EXPIRY DATE 2025-03-15	STATUS Active & Valid

COVERAGE NOTES
Full custodial coverage for digital asset holdings up to USD 1M. Smart contract auto-release clause included.

Issued by ARCB Venture Labs – Dubai, UAE arcbweb3.com

ARC-INSURANCE PROTECTION FLOW

Arc - Insurance

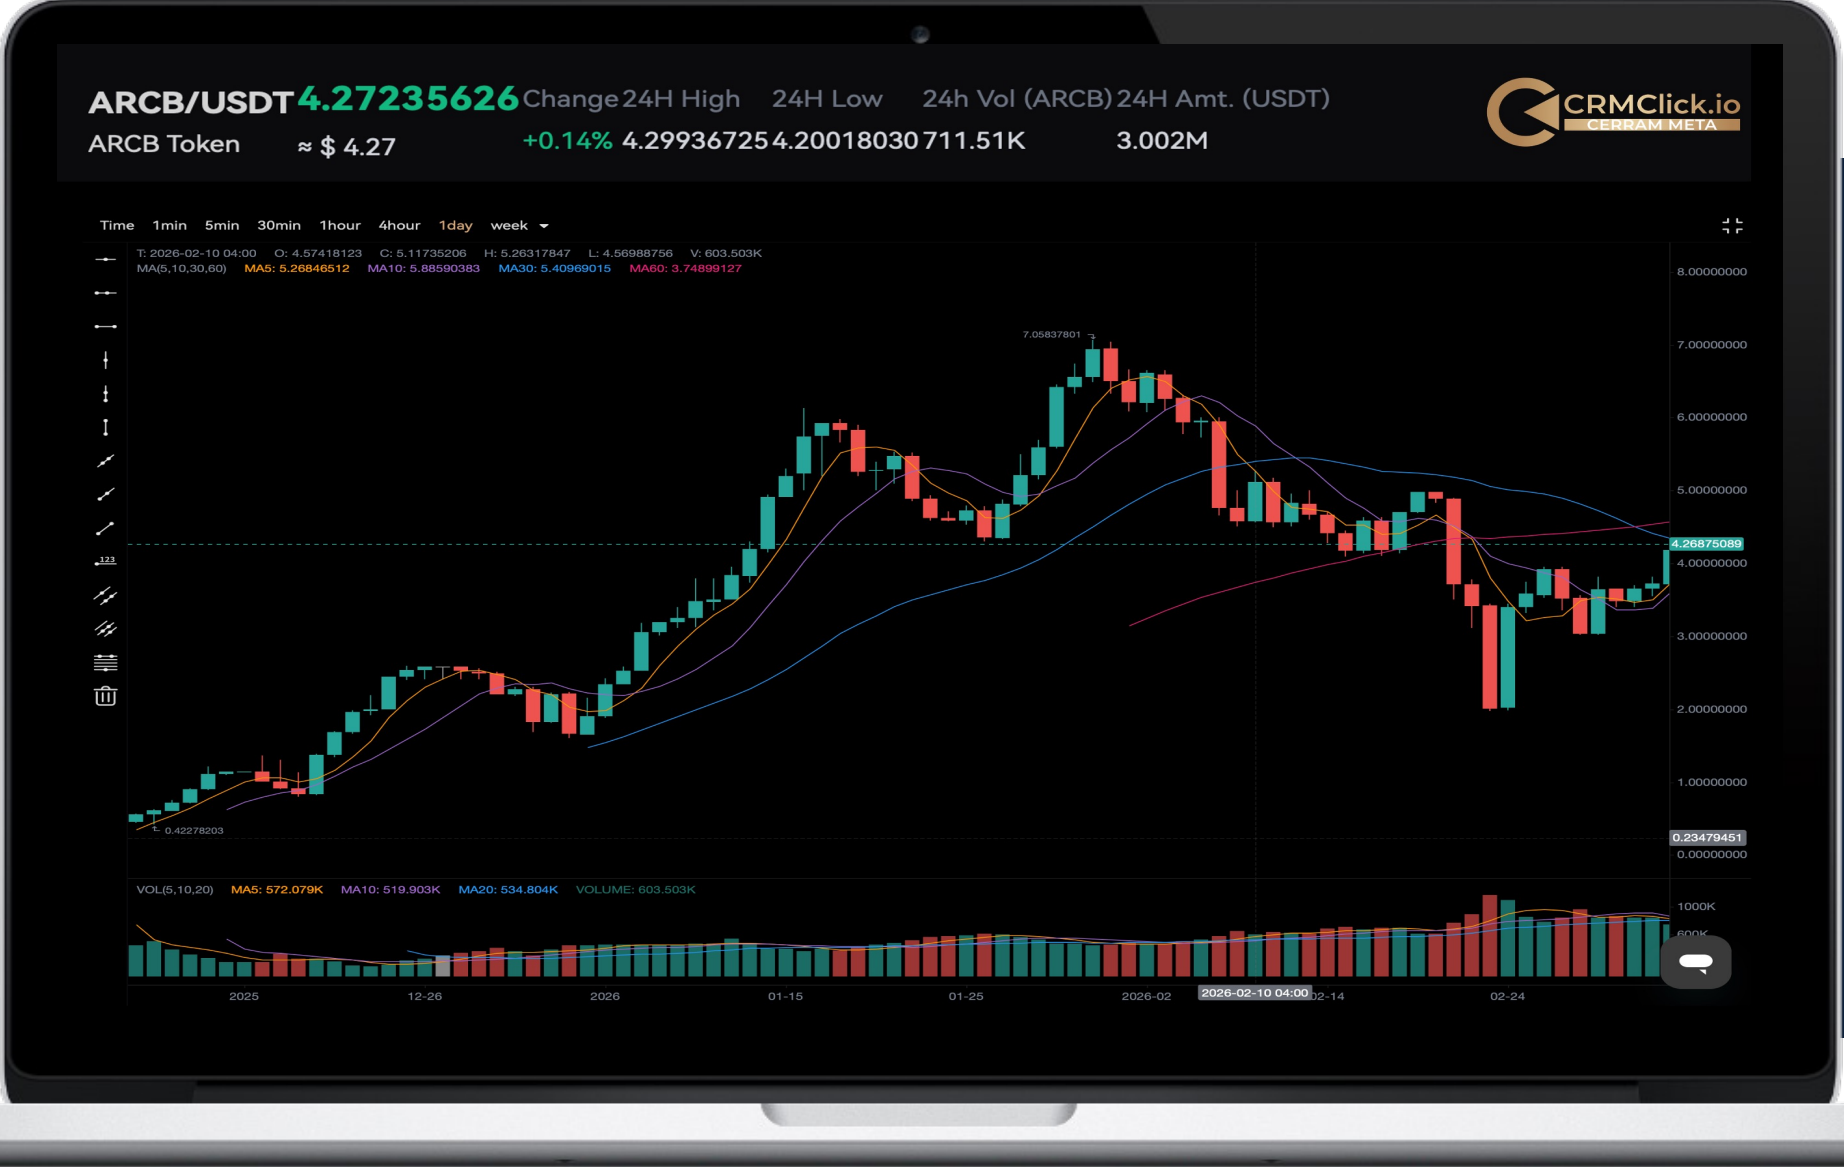

ARC-Insurance introduces a token-backed assurance model Designed To Strengthen Trust And Accountability.

Through this mechanism, ARCB Tokens are placed in secure custody as a protection reserve for selected projects, with Smart Contract-based Release Conditions that help assure clients if agreed obligations are not met.

This creates a more transparent and structured layer of Confidence for Stakeholders Engaging with ARCB-backed Initiatives.

Locked in Trust, Backed by Protection.
